## Introduction

The ARS140 is a portable, wireless stereo speaker featuring a portable design and compact footprint.

Users can stream music wirelessly from any smartphone, cell phone, tablet, computer, laptop or mp3 player supporting *Bluetooth* AVRCP, A2DP or HFP.

The integrated rechargeable battery ensures 5 hours of non-stop, maximum-volume music, and up to 15 hours of moderately played melodies.

The ARS140 comes with a 3.5 mm stereo jack cable for devices that do not support *Bluetooth*.

## Charging

**Plugging in for power**  
Connect the supplied power adapter to the DC 5V on the right of the ARS140, and connect the other end to a convenient wall outlet.

The Charge indicator on the right of the ARS140 will turn solid red while the speaker is charging. It turns solid green when the speaker is fully charged.

When the battery is low, the charge indicator will blink.

**Important battery information**  
Warning: Your product contains a battery and charging system which is designed to work in temperatures that do not exceed 50°C (122°F). Leaving this product in a closed automobile or the trunk of an automobile where temperatures may exceed 50°C may result in permanent battery damage, fire, or explosion. Please remove your product from the automobile when you exit, do not place your product in the trunk of your automobile, and do not leave your product in any location where temperatures may exceed 50°C.

**Ecology**  
Your product must be disposed of properly according to local laws and regulations. Because this product

contains a battery, the product must be disposed of separately from the household waste.

**Precautions for the unit**

- Do not use the unit immediately after transportation from a cold place to a warm place; condensation problems may result.
- Do not store the unit near fire, places with high temperature or in direct sunlight. Exposure to direct sunlight or extreme heat (such as inside a parked car) may cause damage or malfunction.
- Clean the unit with a soft cloth or a damp chamois leather. Never use solvents.
- The unit must only be opened by qualified personnel.

## Regulatory Information

**FCC Information**  
**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which

## Turning On/Off

Power On : Press the button on the top of the ARS140. A power on beep tone will be heard and the Pair indicator will blink.

Power Off : Press the button on the top of the ARS140.

**Note:** In addition to using the supplied power adapter, you may also charge the speaker using the provided Micro USB cable with any USB compatible charging port.  
**Important:**  
The battery should be fully charged prior to first use. Once the battery is fully discharged, immediately recharge (regardless of wether you plan to use battery or not) in order to maximize battery time. If you plan not to use the battery for an extended period of time (one week or longer), we recommend that you fully charge the battery. For longer periods of storage, please recharge the battery at least once every two months to maintain the battery in optimum condition.

## Warranty information

This Warranty does not apply to any product or part thereof which, in the opinion of the Company, has suffered or been damaged through alteration, improper installation, mishandling, misuse, neglect, accident, or by removal or defacement of the factory serial number/bar code label(s). THE EXTENT OF THE COMPANY'S LIABILITY UNDER THIS WARRANTY IS LIMITED TO THE REPAIR OR REPLACEMENT PROVIDED ABOVE AND, IN NO EVENT, SHALL THE COMPANY'S LIABILITY EXCEED THE PURCHASE PRICE PAID BY PURCHASER FOR THE PRODUCT.

MERCHANTABILITY, SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY. ANY ACTION FOR BREACH OF ANY WARRANTY HEREUNDER INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY MUST BE BROUGHT WITHIN A PERIOD OF 24 MONTHS FROM DATE OF ORIGINAL PURCHASE. IN NO CASE SHALL THE COMPANY BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF THIS OR ANY OTHER WARRANTY. No person or representative is authorized to assume for the Company any liability other than expressed herein in connection with the sale of this product.

Some states do not allow limitations on how long an implied warranty lasts or

the exclusion or limitation of incidental or consequential damage so the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.

**Recommendations before returning your product for a warranty claim:**

- Properly pack your unit. Include any remotes, memory cards, cables, etc. which were originally provided with the product. However DO NOT return any removable batteries, even if batteries were included with the original purchase. We recommend using the original carton and packing materials. Ship to the address shown below.
- Note that product will be returned

with factory default settings. Consumer will be responsible to restore any personal preference settings.

## Pairing

Pair the ARS140 with your phone/ device to create an audio streaming link between the two devices. Your devices must be paired before music can be played.

**Important :** Make sure that your phone/device supports *Bluetooth* A2DP\* (Advanced Audio Distribution Profile) before proceeding.  
\*A2DP (Advanced Audio Distribution Profile) is a technology enabling streaming stereo sound from an audio source (phone, PC, laptop, tablet, mp3 player) to a stereo speaker or headset via *Bluetooth*. To do so, both devices must support this profile.

- If the ARS140 is off, press the button to turn it on.
- If this is the first time you are turning on ARS140, the **Pair indicator** blinks in blue rapidly. This indicates that ARS140 is ready to be paired. If the **Pair indicator** does not blink rapidly, press and hold the **Pair** button for 3 seconds.
- While the ARS140 is in pairing mode, select AR FASHION SPKR from the list of *Bluetooth* devices of your phone.
- If your phone asks for a password/ pin code, enter 0000 and press **OK**.
- Upon successful pairing, the ARS140 will beep once. It is now ready to use with your phone.

## Reconnecting

When you turn it on, the ARS140 reconnects automatically with the last paired device. When you leave the *Bluetooth* operating range with the ARS140 turned ON, it disconnects. When you come back into the *Bluetooth* operating range, press the **Pair** button to reconnect to the last paired device. The ARS140 will beep once it has been successfully repaired.

## Streaming music

**Important:** The ARS140 needs to be paired with your *Bluetooth* A2DP phone/ device before you can stream music to the speaker. Please refer to the Pairing section for details on how to pair with the ARS140.

- Go to your phone's music player and play a track by pressing "Play" . If the ARS140 is connected, the music will be heard directly in the speaker. See your phone's manual if needed.
- To adjust the volume of your audio: Use the - and + buttons on top of the speaker. You can also use the volume controls on your phone.

## Using the speakerphone

This speaker has a built-in microphone on top of the speaker, so you can use it for phone calls as well as music. Your phone will ring through the speaker when you're receiving a call. To answer/end the call: Press the button on top of the speaker.

**Note:** Make sure you're close enough to the speaker's built-in microphone so that the other person can hear you!  
**Important:**  
Not all phones support playback control and phone answer/end control. Check your phone's user manual for more information if you're having trouble with these functions.

## Auxiliary source

- Plug one end of the supplied 3.5 mm stereo jack cable into the AUX jack and the other end into the output of your music player. The speaker automatically switches to the AUX audio and the Pair indicator will turn white.
- Press "Play" on your music player to stream music directly via the ARS140 and use the controls on your music player directly.
- To listen to *Bluetooth* audio again, unplug the cable from the speaker's AUX jack.

## Warranty information

**12 Month Limited Warranty Applies to AR Audio Systems**

VOXX Accessories Corporation (the Company) warrants to the original retail purchaser of this product that should this product or any part thereof, under normal use and conditions, be proven defective in material or workmanship within 12 months from the date of original purchase, such defect(s) will be repaired or replaced with reconditioned product (at the Company's option) without charge for parts and repair labor.

To obtain repair or replacement within the terms of this Warranty, the product is to be delivered with proof of warranty coverage (e.g. dated bill

of sale), specification of defect(s), transportation prepaid, to the Company at the address shown below.

This Warranty does not extend to the elimination of externally generated static or noise, to correction of antenna problems, loss/interruptions of broadcast or internet service, to costs incurred for installation, removal or reinstallation of product, to corruptions caused by computer viruses, spyware or other malware, to loss of media, files, data or content, or to damage to tapes, discs, removable memory devices or cards, speakers, accessories, computers, computer peripherals, other media players, home networks or vehicle electrical systems.
